Hi Lisa,

I am leaving CD 5 and going to work at the Department of Neighborhood Empowerment. My last day is today. I wanted to introduce you to the new Field Deputy for this area of CD 5. His Robert and he's a really great guy. I hope our paths cross soon...

Dear John:

Happy Holiday and Happy New Year! I am hoping that the council office will be able to assist us with a mentally ill man located at the south west corner at 999 N. LaBrea. He is an african american male that has been camped out for the past 2 1/2 months. He does not speak. My patrol officers have approached him several times to offer assistance to no avail. I am told that he has multiple orange juice containers (approximately 15 plus) that he is using as a urinal. These containers are all full of urine. Need some medical outreach as well as clean up. Attached is a photo. I feel terrible that he is out in the cold and rain. He does not leave the location.

Can you please help.
